Foosball Spectrum 2026 – Tournament Format

• A total of **28 teams** are divided into **4 pools**, with **7 teams in each pool**.

• Pooling is done by **partial seeding**, ensuring **no two teams from the same department are placed in the same pool**.

Pool Stage

• Matches are conducted in a **knockout format within each pool**.
• Each pool produces **1 pool topper**.

Round Robin Stage

• The **4 pool toppers** advance to a **round robin stage**.
• Each team plays against every other team.
• **Final standings are determined based on:**

- **Most number of sets won**
- If tied → **Goal difference** will be considered

Finals

• **Top 2 teams** → Play the **Final**
• **3rd & 4th teams** → Play the **Bronze Medal Match**

Individual Awards

• **MVP (Male)** and **MVP (Female)** trophies will be awarded.
• MVPs are decided based on the **highest number of goals scored**.
• **Only goals scored from the round robin stage will be considered**.
