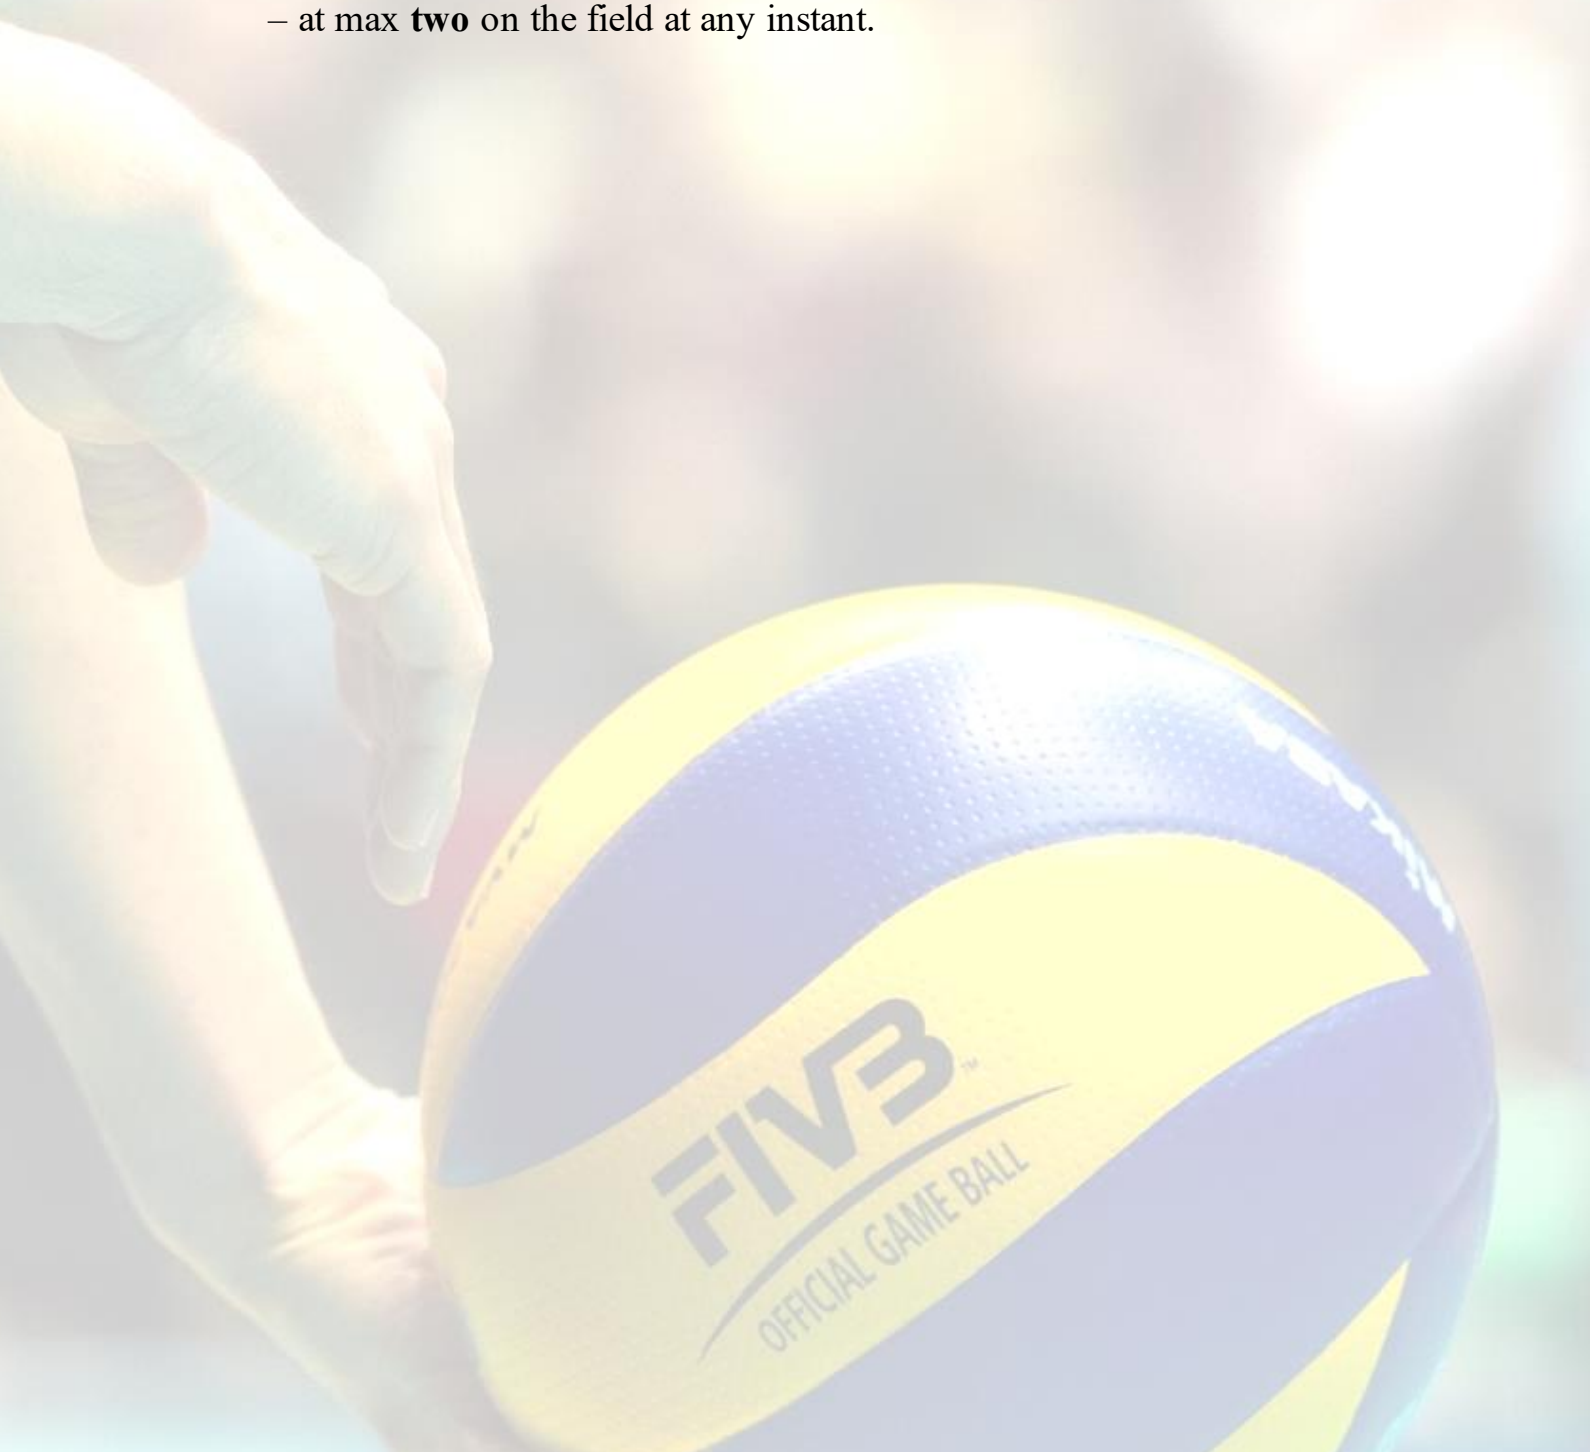
VOLLEYBALL – SPECTRUM 2026

- **Open Tournament Eligibility:** This is an open tournament for teams consisting of individuals affiliated with the IISc community who can provide valid ID proof. Eligible participants include administrative and non-administrative staff, security personnel, mess workers, Samadhan staff, students, professors, post-docs, research associates, project associates, Alumni, interns and any person with a valid IISc ID card. Please note that the family members of the staff and faculty who are not directly related to IISc are not allowed to participate in the tournament, until they have a valid Gymkhana ID card.
- **Game Rules:** The tournament will follow the standard rules of the International Volleyball Federation (FIVB), with the exception that players will remain in their fixed positions throughout the game, with no rotation.
- **Team Enrollment:** Each player can only be enrolled in one team. Participation is limited to members of the IISc community; no external participants are allowed.
- **Team Composition:** Each team can have up to 12 players.
- **Player Verification:** Teams must submit their player details in advance via a Google form. Verification will be conducted before each game.
- **Number of teams:** At most, a department can have 2 teams.
- **Tournament Structure:** The tournament will be organized as follows: Teams will be divided into pools, and league matches will be held (with knockout matches if necessary). This will be followed by quarter-finals (if required), semi-finals, a third-place match, and the final.
- **Team withdrawal:** After registration, any team can withdraw from the volleyball event before the knockout or league match.
- **Schedule Changes:** The organizing committee reserves the right to change the schedule, including match times and dates, if necessary. Matches will be scheduled anytime between 5 pm to 12 am. If required matches can be scheduled on holiday morning hours as well.

- **Scoring System:** In league matches, a team will earn 2 points for a win, 1 point for a technical forfeit, and 0 points for a loss. Teams with the highest scores in their pools will advance to the semi-finals.
- **Match Format:** Each league (knockout) match will be played as a best-of-3 set. The semi-final and final match will be played as either a best-of-3 or best-of-5 sets, depending on the agreement between the two teams.
- **Tiebreakers:** In the event of a tie-in score during the league stage, the number of sets won and the difference in points will be considered. The team with the most sets won or the highest point difference will advance to the semi-finals.
- **Referee's Authority:** The referee's decision is final. Any serious dispute with the referee may result in the disqualification of the team from the tournament.
- **Code of Conduct:** Any player from a team is not allowed to abuse or quarrel with any player of the opponent team or with the referee. Initially, warnings will be given to the player as well as the captain of the team, and if it continues, the team that violated the code of conduct will be disqualified from the spectrum.
- **Confusion Situation:** In any confusion situation due to either the intervention of the crowd or referee, that point will not be considered and called for a re-serve.
- **Match Forfeiture:** Any team that refuses to play a match without a valid reason will be eliminated from the competition, and their previous match results will be voided.
- **Walkover:** If a team fails to present for the match within 10 minutes of the scheduled match time, then opponents will be given a straight walkover.
- **Disqualification for Rule Violations:** Any team found cheating or violating the rules will be immediately disqualified from the tournament.
- **Complaints and Disputes:** Any complaints or allegations regarding the match or players must be raised with the referee or the organizing committee before or during the match. The committee will not entertain complaints made after the match has concluded.
- **No On-Spot Registrations.**

A single set will contain 25 points. The third set will be of 15 points.

Volleyball Spectrum Guest Rules:


- Any eligible person playing for any dept. or working area other than his/her dept. or working area (as per ID card) is considered as guest player in that team.
- At any instant, there can be at max **two** guest players on the ground.
- **Alumni** are considered **as guest players** in all departments or working fields.
- Once a guest player has played for a department, then he/she cannot play in other departments.
- Even if a player played for one point for the team as a guest, then he/she no longer can play for any other team throughout the spectrum.
- A guest can be substituted with another one without breaking the limit criterion – at max **two** on the field at any instant.
